

The IBUS Educational Grant

**IBUS and the IBUS Breast Imaging School
are offering a limited number of educational grants to support participation
at the IBUS Update in Breast Imaging, Interventions, Management
being held in Bologna, Italy from 5th to the 7th May, 2020**

The IBUS Educational Grant is available on a competitive basis to doctors specializing in senology or doctors with experience in breast disease diagnosis and/or management:

- 40 years of age or younger
- With 2-3 years experience in breast disease detection, diagnosis and management
- With a special interest in improving the skills in the use of ultrasound for breast health care

Applications in English should be submitted by 20th March to education@ibus.org and include the following documents:

- Curriculum vitae (maximum 4 pages)
- Document describing the motivation for participating
- Letter of support from the head of department

The grant will cover:

- The course registration fee
- Educational materials related to the teaching programme
- Part contribution towards travel and accommodation expenses

Applicants will be notified of the application result by 3rd April, 2020
