

## ***The IBUS Educational Grant - Nicosia***

**IBUS incorporating the IBUS Breast Imaging School  
is offering a limited number of educational grants to support participation  
at the IBUS course being held from 19-21 November, 2020 in Nicosia**

---

Educational grants are available on a competitive basis to doctors specializing in senology or doctors with experience in breast disease diagnosis and/or treatment:

- 40 years of age or younger
- With 2-3 years experience in breast disease detection, diagnosis and management
- With a special interest in improving the skills in the use of ultrasound for breast health care

Applications in English should be submitted by 2nd October, 2020 to [education@ibus.org](mailto:education@ibus.org) and include the following documents:

- Curriculum vitae (maximum 4 pages)
- Document describing the motivation for participating
- Letter of support from the head of department

The educational grant will cover:

- The course registration fee
- Educational materials related to the programme
- Part contribution towards travel and accommodation expenses

Applicants will be notified of the application result by 16th October, 2020
