

INTERNATIONAL BREAST ULTRASOUND COURSE

‘Multimodality imaging and Interventional Techniques’

Monday June 5, 2023 – Tuesday June 6, 2023

Course Directors - Prof Anneza Yiallourou, Dr Dionysios Koufoudakis

IBUS School Faculty

Dr Daina Basko	Breast Radiologist (UK)
Prof Enzo Durante	Breast Surgeon (IT)
Prof Akis Giannoulis	Breast Surgeon (GR)
Dr Dionysis Koufoudakis	Breast Surgeon (CY)
Dr Sebastien Moliere	Breast Radiologist (FR)
Prof Alex Mundinger	Breast Radiologist (GER)
Prof Anneza Yiallourou	Breast Surgeon (CY)

Guest Speakers

Dr Aimilia Minaidou	Pathologist (CY)
Dr Maria Pittaka	Oncologist-Radiotherapist (CY)

This course is organized by the Nicosia Hospital Breast Center and the Medical School of University of Cyprus, and facilitated by the Nicosia Hospital Education Management

Day 1	Monday June 5	
08.30-08.45	Welcome	D Koufoudakis
08.45-09.00	Welcome remarks	Dr Loizou Prof Yiallourou
09.00-09.30	Introduction - IBUS	E Durante
09.30-10.00	Optimization of equipment, physics and examination	A Mundinger
10.00-10.30	Multimodality breast imaging - ultrasound	D Basko
10.30-11.00	Multimodality breast imaging - digital mammography, DBT and CEM	A Mundinger
11.00-11.30	Coffee break	
11.30-12.00	Multimodality breast imaging - MRI	S Moliere
12.00-12.30	Principles and clinical value of elastography	A Mundinger
12.30-13.00	Light lunch	
13.00-13.30	BIRADS in mammography	A Mundinger
13.30-14.00	BIRADS in ultrasound	D Basko
14.00-14.30	BIRADS in MRI	A Mundinger
14.30-15.00	Coffee break	
15.00-15.30	US exploration of the axilla	S Moliere
15.30-16.00	Ultrasound guided interventions	E Durante
16.00-16.30	Stereotactic breast biopsy	D Koufoudakis
16.30-18.30	HANDS-ON workshops <ul style="list-style-type: none"> • Core Biopsy E Durante • U/S image optimization A Mundinger • Vacuum assisted biopsy D Basko • Breast elastography S Moliere 	
18.30	Closure	D Koufoudakis

INTERNATIONAL BREAST ULTRASOUND COURSE
 'Multimodality imaging and Interventional Techniques'

Monday June 5, 2023 – Tuesday June 6, 2023

Day 2	Tuesday June 6	
08.45-09.00	Opening review	A Yiallourou
09.00-11.00	HANDS-ON workshops <ul style="list-style-type: none"> • Core biopsy E Durante • U/S image optimization A Munding • Vacuum assisted biopsy D Basko • Breast elastography S Moliere 	
11.00-11.30	Coffee break	
11.30-12.00	Interpreting the core biopsy results	A Minaidou
12.00-12.30	Clinical decision making	K Giannoulis
12.30-13.00	Light lunch	
13.00-13.30	Surgical treatment for breast cancer	E Durante
13.30-14.00	Surgical treatment of the axilla	A Yiallourou
14.00-14.30	Coffee break	
14.30-15.00	Adjuvant and neoadjuvant therapy	M Pittaka
15.00-16.00	MDT cancer cases (Tumor Board)	Chair: K Giannoulis Board: D Basko A Munding A Yiallourou M Pittaka A Minaidou
16.00-16.30	European guidelines on breast cancer screening and diagnosis	E Durante
16.30-17.00	Quiz cases - your diagnosis?	E Durante
17.00	Test briefing and closure	A Yiallourou D Koufoudakis
