

Travel Grant Announcement – Tel Aviv 2018

The European School of Oncology (ESO, www.eso.net) is offering a limited number of travel grants to support the participation at the “IBUS Update in Breast Imaging, Interventions & Management” - A Practical Course with Hands-on Ultrasound Workshops - being held in Tel Aviv, Israel from 21 – 23 January, 2018

Travel grants are available on a competitive basis to doctors specializing in senology or doctors with experience in breast disease diagnosis and/or treatment

- Residing in the Balkan countries or in the Eastern European Region
- 40 years of age or younger
- With 2-3 years experience in breast disease detection, diagnosis and management
- With a special interest in improving imaging skills for better breast health care

Applications in English should be submitted by 17th November, 2017 to scholarship@ibus.org and include the following documents:

- Short curriculum vitae (maximum 4 pages)
- Letter describing motivation for attending
- Letter of support by the head of department

The travel grant will cover:

- The course registration fees
- All educational materials related to the course
- A contribution to the travel and accommodation expenses

Applicants will notified of the application result by 1st December, 2017
