REGIONAL CONGRESS AZERBAIJAN

## III INTERNATIONAL BAKU BREAST CANCER CONGRESS

29-30 November, 2024

📍 Fairmont Baku, **Flame Towers**

[breastdiseases.az](http://breastdiseases.az)

**UPTODATE  
IN MEDICINE**  
Healthcare Consulting Solutions

## II HALL

- 08:00–09:00 ● **Registration**
- I Session ● **Chairs: Enzo Durante, Atilla Soran**
- 09:00–09:20 Optimization of ultrasound equipment, physics and examination technique  
**Alexander Mundinger**
- 09:20–09:40 Ultrasound radionomics – benign versus malignant – **Dionysios Koufoudakis**
- 09:40–10:00 Complementary breast assessment including elastography, doppler techniques and automated breast ultrasound – **Ruediger Schulz Wendtland**
- 10:00–10:20 Precision pathways: US-guided interventions – **Enzo Durante**
- 10:20–10:40 ● **Q&A / Discussion**
- 10:40–11:40 ● **Coffee break and "Meet the expert"**
- II Session ● **Chairs: Ruediger Schulz Wendtland, Hagigat Valiyeva**
- 11:40–12:00 Staying ahead: BI-RADS updates – **Alexander Mundinger**
- 12:00–12:20 Clinical problem solving – how to navigate – **Dionysios Koufoudakis**
- 12:20–12:40 Multimodality breast imaging – digital mammography, DBT and CEM, CT, multiparametric imaging – **Ruediger Schulz Wendtland**
- 12:40–13:00 Artificial intelligence in breast cancer screening – where do we stand?  
**Alexander Mundinger**
- 13:00–13:20 ● **Q&A / Discussion**
- 13:20–14:20 ● **Lunch**
- III Session ● **Chairs: Dionysios Koufoudakis, Vahit Ozmen**
- 14:20–14:40 Multimodality breast imaging in preoperative staging – MRI or not?  
**Ruediger Schulz Wendtland**
- 14:40–15:00 Intraoperative US and specimen management: A practical approach  
**Enzo Durante**
- 15:00–15:20 Axillary staging – do we need new marker tools? – **Dionysios Koufoudakis**
- 15:20–15:40 Breast cancer recurrence or not? – **Alexander Mundinger**
- 15:40–16:00 ● **Q&A / Discussion**
- 16:00–16:20 ● **Coffee/Tea break**
- IV Session ● **Chairs: Carole Mathelin, Alexander Mundinger**
- 16:20–16:40 Imaging – pathology correlation with focus on core biopsy results  
**Enzo Durante**
- 16:40–17:00 Guided biopsy – stereotactic, DBT, CEM, and MR – **Ruediger Schulz Wendtland**
- 17:00–17:20 Expert round table: Tumor board cases and controversies in senology  
**Dionysios Koufoudakis**
- 17:20–17:40 Quiz cases – your diagnosis? – **Enzo Durante**
- 17:40–18:00 ● **Q&A / Discussion**
- 12:00–18:00 **III Hall – Poster presentation**
